## ONE-STOP CENTRE FOR ELDERCARE & DISABILITY SERVICES

A first-stop centre for users of eldercare and disability services has been set up by the Ministry of Community Development, Youth and Sports (MCYS) to assist persons with disabilities (including frail elderly) as part of the national care network. Called the Centre for Enabled Living Ltd (CEL), it will offer information, referral and resources to support:

- Persons with disabilities (including frail elderly)
- Caregivers
- Service providers and people working in the eldercare and disability sector
- The public at large and those seeking further insight into disability

With effect from 1 June 2009, CEL will take over the administration of the following schemes from the National Council of Social Service (NCSS) to make it more easily accessible to persons with disabilities:

- (1) Assistive Technology Fund
- (2) Caregivers Training Grant

- (3) Foreign Domestic Worker Levy Concession Scheme (Persons with Disability)
- (4) Traffic Accident Fund

CEL is located at 298 Tiong Bahru Road, #03-01 Central Plaza, Social Service Hub @ Tiong Bahru, Singapore 168730. Information on the schemes and application procedures can be found on the CEL's website at [www.cel.sg](http://www.cel.sg). The Centre can be contacted at +65 6593 6437 (Mainline), +65 6270 7024 (Fax), and [information@cel.sg](mailto:information@cel.sg) (E-mail). For the above schemes, you can contact Ms Wendy Loh (DID: 6593 6436).
