Walk in Sungei Buloh

Time: 3.30pm – 6.30pm

Maximum number of pax: 40

18 MAY 2018

Second Quarter

DS-DSG Members' Gathering

This year's second DS-DSG Gathering was held on 2 June 2018 at Singapore General Hospital. The program consisted of a talk by a nerve care specialist invited by pharmaceutical company Merck. Merck also provided a booth for foot nerve health screening for participants that day.

Unlike previous screening tests, this event was especially informative with two staff from Merck patiently explaining to the participants the implications of the figures recorded during the foot nerve screenings. The invited speaker further elaborated on nerve health and diabetes neuropathy. Our DSG members deeply appreciate Merck's efforts in raising awareness about nerve care and hope that more members and participants can benefit from these talks and screenings in the future.
